## You Needn't Be a Millionaire

Dressing well doesn't necessarily imply spending more than you can afford.

Of course you can pay a lot for clothes if you want to, but why pay for more value than you actually get?

We've always made it a point to put in the things that are highest in quality and most reasonable in price.

In men's clothes, for example. What better can be had than Clothcraft at \$15 to \$25?

It is the same all the way down the line. Shirts, hats, socks, collars, underwear--every thing you buy here is bound to please because you feel that it is worth every cent you pay for it.
